

Welcome to the Safeway Pension Scheme

This letter is for information only and contains some important details about your pension. You do not need to do anything in response to this letter.

We're writing to welcome you into the Safeway Pension Scheme (the Scheme) and to confirm what this means for you and your pension.

In August, the Trustee of the TM Pension Plan (TM Plan) wrote to you about the proposed merger of the TM Plan into the Scheme on or around 1 October 2024.

We are pleased to confirm that merger has completed, and your benefits have been transferred into the Scheme.

What this change means for you

Please be assured that this change does not impact the benefits you currently receive or will be entitled to.

As confirmed by the Trustee of the TM TM Plan, there will be no changes to your legal entitlement to benefits as a result of this merger, including any increases to your pension benefits, or any benefits that may be paid to your dependants following your death.

The main changes you will see are:

- Your pension benefits will now be provided by the Scheme, not the TM Plan.
- The principal employer that is responsible for ensuring that you receive pension benefits is now Safeway Limited.

We will send you your annual newsletter to keep you updated about your pension so please do look out for this in early 2025.
